

The “Custom Chandelier” Collection

Our Custom Chandelier Capabilities Do Not Have Limits!

James R. Moder® Crystal is celebrating its European heritage and over 50 years of North American and global custom design concepts. Although we produce over 6350 SKU's in our factory, many of which are illustrated in this catalog, Architects, Designers, Interior Decorators and Home Owners may wish to individualize their vision in decorating a specific space. We are here to help bring that vision into reality.

We have a Design Team ready to adapt current designs or develop entirely original Chandeliers for our Customers, depending on their needs. No project is too large! Whether it is a home, hotel, restaurant, banquet hall, Church, movie set or yacht, we can provide a Crystal solution made in our own factory.

Some of our custom clients have included: Stock Exchange / Abu Dhabi U.A.E., Radisson Hotels, Marriott Hotels, Hilton Hotels, Sheraton Hotels, Foxwoods Resort Casino, Hard Rock Hotel Casino - Lake Tahoe as well as major residences and projects in the USA, Canada, Australia, Switzerland, France, Japan, Singapore, Brazil, Mexico, Kuwait, Saudi Arabia, China, Germany, Taiwan, Ecuador and other countries.

Let us help you with your next project.

Only a very few Crystal Chandelier manufacturers in the world have the capability to design, engineer and manufacture a Crystal Chandelier which is over 21'(252"/640cm) in diameter, along with 43 additional specially designed Crystal Chandeliers for a discriminating customer.

We are proud to have been selected for this huge project, and to have completed it 'On Time and On Budget'.
