The Grandeur of Candle Light

The Tradition of "Candle Light" can be re-created with many james r. moder® Crystal Chandeliers (upon special request, on a custom basis) by utilizing faux candles which look very realistic, are beautiful and safe to use. To have the factory install an adaptor (patent pending), order XF after the product #.

Use #96424-W to order white faux candles (sold separately).

After conversion by the factory to Candle Light it is easy for the consumer to switch back to electric light!
